THANK YOU FOR HOSTING A
**JEWELSCENT
SHARE & EARN**

Thank you for hosting a Share and Earn Party. In addition to being loads of fun, convenient and easy, it's also a great way to share the JewelScent products with your family and friends. We have something for everyone. I'm excited to watch your orders roll in allowing you to earn "Reward Points" to apply to your own order!

SHARE & EARN PARTY

This type of party is so easy. You will receive a party link that you can share with your guests via email, messenger, text or a quick call. You can decide how long you would like your Share & Earn party link to remain open, then sit back, relax and watch the orders come in. You may need to send gentle reminders to your guests to remember to place their order! This is a wonderful option because your guests can stop in and shop at their convenience and I will be available for direct questions and any assistance.

INVITE YOUR FAMILY, FRIENDS, & FRIENDS OF FRIENDS

Think of all the people that would enjoy the JewelScent products. Your friends, family, neighbors and encourage them to bring a friend too. The more the merrier!

DON'T FORGET A FRIENDLY FOLLOW-UP

Let's face it, people are busy and they forget. Make sure to send a reminder text, email or phone call throughout the time the party link is open and definitely a day or two before it closes to collect any remaining orders.

KEEP IT SIMPLE

The biggest rule is to HAVE FUN! Our Share & Earn is really just that easy. You choose when you want your party and then share your party link for an easy, online shopping experience. You will earn Reward Points from every order linked to your party.
