LUCIE + POMPETTE

Lucie + Pompette is a beauty brand inspired by our muse Lucie + her sidekick Pompette, and all of the petite indulgences of Paris, from its finest chocolates to its most delightful pastries. We believe that makeup does not have to be boring. We also believe that makeup can be fun, effective and good for you at the same time. That is why all of our formulas are vegan, paraben-free, and cruelty-free. Our unique specialty products are made with the finest ingredients, most innovative formulas, and the utmost care. Get ready for Ooh-la-la lips with Lucie + Pompette lip products from gemstra!

LE WORLD OF LUCIE.

Lucie is the muse and inspiration behind the brand. From her favorite patisseries to the twinkling Eiffel tower, the magical city of Paris is the backdrop to Lucie's story.

She flits across the City of Lights in search of adventure and welcomes new opportunity with a certain je ne sais quoi. She believes the world offers limitless possibilities, and that you hold the power to make your dreams your reality.
